

Ft. Vancouver Sail and Power Squadron Achievements

As I took office in March 2010, my goal was to increase membership. We have added 7 new members and reinstated 11. Not what I had hoped for, but it is still a positive. We have a new public relations officer and we are approaching things in a different way. Our advertisement has become more professional and is being placed in more areas than the normal marine stores. We are targeting not only marine affiliated institutions but even grocery stores. We are going to keep a close monitor and see how it turns out.

Rick Gilbertson A/P

Commander

Fort Vancouver Sail & Power Squadron
